

# THURSDAYS

Our strength lies in our unity, and we must show management that we are united and ready to fight for a fair contract.

**Wear your purple every Thursday** until we get a fair contract. With nearly 20,000 united in SEIU 1021, show management that we have power in numbers and that we are a force to be reckoned with.

**Come to the next action to get your SEIU 1021 shirt!**

**Visit [SFFIGHT.org](https://www.sffight.org) for updates on our contract fight.**
